2. Participants

Participants: 12 teams per gender according to the CEV European National Team Ranking (as of October 9, 2023 for men and September 25, 2023 for women, respectively) and considering the below criteria:

- National Teams not participating in the FIVB Volleyball Nations League 2024
- The best ranked teams registered for the CEV European League 2024 plus the winners of the CEV Volleyball European Silver League 2023 (Men: Latvia; Women: Estania) will play the 2024 edition of the Golden League.

3. Competition Format

Further to the feedback received from the participating National Federations and according to the decision made by the CEV Board of Administration this past September 16, 2023 in Rome, the format for CEV European Golden League 2024 Men & Women has been adjusted to follow the similar format as applied in the FIVB Volleyball Nations League.

League Phase

- Each team is hosting one of the three-day tournaments (Friday to Sunday) with two opponents
- Each team will travel for two tournaments played away from home.
- Each team will play six matches in total with just as many different opponents.
- The 12 participating teams will be listed from 1 to 12 according to the CEV National Team Ranking as of October 9, 2023 and September 25, 2023 for men and women, respectively.

- The number assigned to each team will determine who will host and participate in the respective tournaments.
- The hosting team will play their matches on the first and third day of the tournament.
- There will be one common table to define the final standing of the League Phase considering all teams and their respective matches played.
- Due to the specific competition formula, it will not be possible to modify the hosts, participants and dates defined for each tournament.
- Last ranked team of the CEV Volleyball European Golden League 2024 will be relegated to the CEV Volleyball European Silver League 2025.

Final Phase

- Final Four tournament – 1 organiser + three best ranked teams after the end of the League Phase. If Organiser after League Round is among the top three, the 4th ranked team will qualify to the Final Four tournament as well. If the organiser is not among the top four, the top three from the League Phase will join the host in the Final Four.
- Depending on the FIVB decision, the winner and runner-up will qualify to the 2024 FIVB Challenger Cup.
- The organisers of the Final Four are also required to compete in the League Phase.
- If there is no organiser of the Final Four, the semi-finals (1 vs. 4, 2 vs. 3) and finals will be played in home & away format, while the better ranked team will host the second match at home.
