The European Volleyball Confederation (CEV) is the institution responsible for governing 56 National Federations throughout Europe and is recognized as such by the Fédération Internationale de Volleyball (FIVB).

Our ultimate goal is to promote Volleyball, Beach Volleyball and Snow Volleyball and to raise the status of our sport to a higher level. Whether the game is played indoors, on sand or on snow, Volleyball connects and brings people together – from children playing in their free time up to professional, elite athletes.

We cultivate a strong sense of togetherness with all stakeholders, the Member National Federations, their national leagues, clubs, players, organizers and other partners of European Volleyball, from grassroots level to the top events.

We are looking to recruit a:

## Digital Business Analyst

|                   |                         |
|-------------------|-------------------------|
| Location:         | Luxembourg              |
| Type of contract: | Full time - Permanent   |
| Department:       | Digital & TV Department |
| Reporting to:     | Head of Department      |
| Salary:           | Competitive             |
| Start date:       | Immediately             |

### The Role

As a member of the CEV Digital & TV department, the Digital Business Analyst is primarily responsible for the daily management, follow-up and development of a number of Volleyball related digital and data projects that contribute to the global promotion and development of the sport.

### Your main responsibilities include:

- Bridge the gap between IT and the daily business activities at the CEV using data analytics to determine requirements and deliver data-driven recommendations to both CEV internal and external stakeholders (BAs)
- Oversee the sport dataflow of all CEV properties from court-side collection, to storage and utilisation through a dedicated API
- Project management of partner data feed requirements.
- Account management support to key digital and match data related partners (including betting & match technology companies)
- Manage and develop following digital related projects at the CEV: existing OTT platform, mobile apps and internal sport management software.
- Support internal content creators with the implementation of tools/technology platforms to increase efficiency and/or output
- Participate to the overall CEV Digital strategy with budget sensitive ideas and creative concepts that utilise new technologies
- Support other CEV departments and provide account management support to external media agencies/suppliers

## Requirements

- 4 to 5 years of experience in sport-related media, betting and data management field
- BA, BSc or equivalent in a relevant field including sport marketing, business administration, computer/IT and information technology)
- Previous experience as business analyst and managing data flow - input (collection), storage and output (utilisation of the data)
- Knowledge of technology structures: networks, database, communications and internet
- Experience of international working environments
- General understanding of the sport industry and the positioning of CEV competitions
- Proficiency in the MS Office Suite and Adobe Creative Cloud (Photoshop, Illustrator, Premiere and After Effects)

## Languages

- English proficiency in both speaking and writing
- Any other European language is a plus

## Soft skills

- A digital and data-driven mind-set, always looking to keep up with the latest trends
- Excellent organisational skills with an ability to prioritise manage and meet deadlines
- Excellent communication, analytical and interpersonal skills
- A good sense of pro-activity and team spirit
- Independent professional ready to contribute to the overall goals of the organisation
- Flexible and willing to work according to busy competition schedule of numerous sports events including weekends and evenings
- Interest in working in a fast-paced and international sport environment

If you are a highly talented professional, who wishes to further your career in an exciting, professional and international environment you are invited to send your **CV** and **cover letter** in English to:

**Confédération Européenne de Volleyball**  
**Mr. Thorsten ENDRES - Managing Director – [jobs@cev.eu](mailto:jobs@cev.eu)**

Deadline for Applications: **31<sup>st</sup> March 2020**
