# 1. Introduction

The European Volleyball Confederation is pleased to open the registration procedure for the third edition of the CEV U16 Women / U17 Men Volleyball European Championship.

We are still looking for organisers for the Men's and Women's Final Round, with both Finals due to take place during July 2021.

This Championship will be managed and processed through the CEV database and therefore we ask all National Federations to apply the necessary accuracy while working with it.

It remains the sole responsibility of the NFs to respect all Communications, Regulations, Guidelines, and institutional decisions to guarantee the delivery of correct, accurate and complete data at any time that these are required.

The regulations in force are the 'CEV Volleyball Competitions Regulations', available on the website;

<https://inside.cev.eu/en/documents/volleyball-documents/>

All participants are required to be aware of the relevant contents of this document, in particular the specific provisions in Chapter 24.

# 2. Registration procedure and deadline

The registration for this edition will be done through the CEV Database using the following form:

01CH (Team Registration)

The registration deadline for closing and sending the above-mentioned form is:

Monday July 20, 2020 at 23:59 CET

After closing the form on-line, National Federations must click 'Print Form' and then sign and stamp the paper copy and send it by registered letter to the CEV Office.

This must also be sent with a postmark dated on or before the above-mentioned deadline for the registration to be valid.

On this form there are tick boxes to inform CEV if the respective National Federation intends to apply to organise one of the 2<sup>nd</sup> Round qualification tournaments. However, the definitive application forms and required procedure for applying to organise a tournament will be sent to all NFs after the registrations are confirmed in Official Communication No. 2.

For any assistance on filling the registration form, please do not hesitate to contact CEV Volleyball Department

## 3. Competition format and dates

The 2021 competition will be structured as follows:

### 1<sup>ST</sup> ROUND (ZONAL)

The 1<sup>st</sup> round will be organised in each of the six CEV Zonal Associations. Following the registration, CEV will inform each about the exact number of National Federations from their respective zone who have registered for participation.

Moreover, further to a decision made by the CEV Board of Administration, a minimum of 40% of the respective National Federations have to register for participation in order for the zonal event to count as a 1<sup>st</sup> Round qualifier for the European Championship.

If one or more Zonal Associations fail to fulfil this requirement, depending on the total number of teams registered for participation in the championship, their teams might:

- have to join those from another zone to compete in the first stage of the qualification process
- join a qualifying round including teams from different zones put together as per the results of a Drawing of Lots
- move on straight to the 2<sup>nd</sup> Round organised by the CEV, with a maximum of 20 teams per gender participating in this round.

Each Zonal Association shall organise their qualification stage according to the calendar set by CEV for this round (i.e. before 31<sup>st</sup> January 2021).

In each tournament, the first placed team qualifies directly to the Final Round.

### 2<sup>ND</sup> ROUND

The 2<sup>nd</sup> round is organised with a maximum of 20 National Federations who competed in but did not qualify from the 1<sup>st</sup> round to the Final Round. If the Final Round is organized by the two National Federations and, all Zones are hosting the 1st Round tournaments, the maximum number of participated National Federation in the 2<sup>nd</sup> Round will be reduced to 16.

The number of the granted vacancies per Zone (quotas) in the 2<sup>nd</sup> Round depends on the total number of the registered teams. The team quota per Zone to qualify to 2<sup>nd</sup> Round is based on the percentage of overall European Ranking points per Zone calculated based on participating teams.

#### COMPETITION FORMAT:

- The 2<sup>nd</sup> Round will be played using the single round robin tournaments format (i.e. one tournament "one against each other").
- Each 2<sup>nd</sup> Round tournament will be played with minimum three and maximum four teams.
- The teams in each 2<sup>nd</sup> Round will play one tournament over three competitions days:
  - Tournament with 3 teams: each team will play 2 competition days
  - Tournament with 4 teams: each team will play 3 competition days
- Each of the National Federations involved has the right to apply for the organisation of the tournament.
- Should more than one National Federation apply for the organisation, the organisers will be drawn by the CEV. Or should no National Federation apply for the organisation, the organiser will be drawn by the CEV.
- In each pool, the first best placed team qualifies to the Final round. In case of a vacancy in the Final round, the next best placed team across all pools qualifies to the Final round.

## QUALIFICATION DATES

| Round                                      | European Championships                         |

### 4. 1<sup>st</sup> Round format and dates

Following the receipt of the confirmed list of registered teams, each Zonal Association must confirm to CEV their competition structure and dates by Monday 03<sup>rd</sup> August 2020.

### 5. 1<sup>st</sup> Round CEV financial support

CEV will continue to support the 1<sup>st</sup> Round participating teams as during the previous edition, with such CEV contribution standing at 1,000 EUR per participant to host country and 3,000 EUR to each travelling team. This contribution will be paid only upon finalisation of the mentioned round, not in advance.

### 6. 2<sup>nd</sup> Round Drawing of Lots

Following the completion of the 1<sup>st</sup> Round, CEV will confirm the teams qualified to the 2<sup>nd</sup> round. For the 2<sup>nd</sup> round, the Drawing of Lots shall be combined with a seeding of National Federations, also considering geographical proximity. This will take place in the CEV Office in February 2021.

## 2. Organisation of the Final Round

The appointment of the Organisers of Final Rounds were approved during the CEV Board of Administration meeting held this past July, the Final Round organisations were granted as follows:

- 2021 CEV U16 Women Volleyball European Championship Final Round in Nyiregyhaza (HUN) and Humenne (SVK) between 10 – 18 July, 2021  
(players born on 1<sup>st</sup> January 2006 or thereafter)
- 2021 CEV U17 Men Volleyball European Championship Final Round in Tirana (ALB) between 10 – 18 July, 2021  
(players born on 1<sup>st</sup> January 2005 or thereafter)

The Final Round is organised with the following twelve National Federations:

- The Organiser(s) are directly qualified, i.e. Albania (men) and Hungary and Slovakia (women)
- The five winners from the 1<sup>st</sup> Round (if one of the Final Round organisers wins the 1<sup>st</sup> Round of its Zone, the runner-up from that Zone qualifies in that case)
- The five pool winners from the 2<sup>nd</sup> Round, and for the U17 Men's competition also the best 2<sup>nd</sup> placed team across all five pools will qualify.

As mentioned above, the winner of each zonal qualifier will directly qualify to the Final Round.

In the U16 women's competition, Hungary and Slovakia decided to compete in the 1<sup>st</sup> Round qualification, but in case they win that qualifier, such case the next best placed team from their zonal tournament (MEVZA) will qualify to the Finals directly.

## 3. 2<sup>nd</sup> Round Vacancies

The 2<sup>nd</sup> Round is organised with a maximum of 20 National Federations, that are not qualified from the 1<sup>st</sup> Round directly to the Final Round. Due to the fact since the SCA (Small Countries Association) will not organise their Zonal qualifiers, the number of teams competing in the 2<sup>nd</sup> Round was increased to 20.

National Federations are allocated to pools composed of 3 to 4 National Federations. In each pool, all of the five pool winners qualify to the Final Round. In the U17 men's competition, also the best 2<sup>nd</sup> placed team among all five pools will qualify to the Final Round.

The vacancies of teams to be qualified per various Zones to the 2<sup>nd</sup> Round has been calculated based on each Zone's contribution to the total number of registered teams and their ranking points, that means:

|      | BVA | EEVZA | MEVZA | NEVZA | WEVZA |    |
|------|-----|-------|-------|-------|-------|----|
| U16W | 5   | 5     | 4     | 1     | 5     | 20 |
| U17M | 5   | 5     | 4     | 1     | 5     | 20 |

### 3. New confirmed competition dates and CEV Contingency plan

#### NEW COMPETITION DATES:

| Round                                      | Dates   |
|--|---|
| 1 <sup>st</sup> Round (organised by Zones) | Until 14 <sup>th</sup> March 2021             |
| 2 <sup>nd</sup> Round                      | 06 <sup>th</sup> – 09 <sup>th</sup> May 2021  |
| Final Round                                | 10 <sup>th</sup> – 18 <sup>th</sup> July 2021 |

#### CEV CONTINGENCY PLAN 2021 (CEV U16/U17 ECH 2021):

The CEV Board of Administration confirmed the contingency plan of the latter competition as follows;

In case a Zonal Association decided to not hold the 1st Round qualification due to COVID-19 restrictions until 14 March 2021:

No team from this Zone will be directly qualified to the Final Round.

- The spot from the direct qualification of this Zone to the Final Round will be allocated to the 2<sup>nd</sup> Round, thus the number of teams to be qualified from the 2<sup>nd</sup> Round will be extended accordingly.
- The teams to be qualified from this Zone to the 2<sup>nd</sup> Round based on the quota will be determined according to the respective CEV European Ranking list.

In case the 2<sup>nd</sup> Round qualification cannot be held due to the COVID-19 restrictions:

- The CEV Office shall communicate with all concerned teams before taking the final decision. The decision shall be taken in line with the approach taken during the previous under-age European Championships and based on potential restrictions imposed by the national and international authorities.
- The remaining spots in the Final Round will be allocated among the teams qualified to the 2<sup>nd</sup> Round according to their position in the respective CEV European Ranking list.

All Zones are required to confirm their 1st Round qualification dates and organiser to CEV office by emailing [nationalteams@cev.eu](mailto:nationalteams@cev.eu).

# 1. Teams Qualified to 2<sup>nd</sup> Round and Final Round

The 1<sup>st</sup> Round qualifiers per zone were finalised last weekend, the teams qualified from the 1<sup>st</sup> Round tournaments to the 2<sup>nd</sup> Round are known. Moreover, the four zonal winners that played their respective tournaments have qualified directly to the Final Round, as per the table below.

The BVA cannot fill up all of the 2<sup>nd</sup> Round spots (5) assigned originally to their Zone due to the low number of teams participating in their U17 Men's event. As a result, two spot originally given to BVA U17 Men has been re-assigned to EEVZA and WEVZA. This is due to the % of 2<sup>nd</sup> Round vacancies this zone has received as per their % of ranking points across all zones.

Respectively on the U16 Women's competition, the 2<sup>nd</sup> Round vacancy left by BVA was not filled by any 1<sup>st</sup> Round participant. Also due to the withdrawal of ISR team that initially qualified from MEVZA tournament, the extra spot was not filled and therefore the women's 2<sup>nd</sup> Round will be played with 18 teams.
