

# CEV Beach Volleyball Competitions Regulations

Adopted by the CEV  
board of Administration  
15.06.2024

Edition: 2024  
Released on: 23/07/2024

Welcome to the CEV Beach Volleyball Competitions Regulations. This is the main document regulating all CEV Beach Volleyball competitions ran in Europe. All contained contents have been pulled together based on the last released version of the competition specific Official Regulations, and the implementation of all other CEV Board of Administration decisions.

The aim is that this document forms the foundations of our Beach Volleyball competition delivery, outlining all requirements of the participating National Federations, Teams and organisers, whilst also providing clear direction and the detailed requirements to those responsible for any match or tournament.

This document is interlinked to avoid any unnecessary duplication so we therefore encourage you to read it in its entirety to gain the full picture of what is required. The search function in the PDF viewer or e-book can also be a useful tool for users.

This set of regulations will only be updated following CEV Board of Administration approvals, and changes will only come into force from the start of the next season; unless it is applied on a voluntary basis or if there is no negative financial impact.

## Section 1: General provisions

### 1. SCOPE OF APPLICATION

---

- §1 These regulations govern the organisation of all CEV competitions and the participation to such competitions.
- §2 For a specific level of a CEV competition, a written agreement between the CEV and an Organiser may depart from these regulations. The CEV informs the relevant CEV stakeholders, if necessary.
- §3 Official Communications complement these regulations. Guidelines, handbooks and instructions detail and implement these regulations.

### 2. PURPOSES

---

- §1 These regulations are composed of sport and extra-sport related provisions.
- §2 The sport related provisions intend to establish an equal opportunities policy on which is based the uncertainty of sport results.
- §3 The extra-sport related provisions intend to ensure:
  - a. The regular and sustainable organisation of the CEV competitions by preserving them from any negative alteration,
  - b. The promotion of the CEV competitions and Beach Volleyball.

### 3. ENFORCEMENT

---

- §1 In case of an emergency or impossibility to enforce the FIVB Sports Regulations for a CEV competition, the CEV may depart from such regulations.
- §2 In case of a national law preventing the compliance with these regulations, a similar action or absence of action that performs the same result shall be provided instead.

### 4. FINANCIAL ASPECTS

---

- §1 Any financial items related to these regulations are mentioned in Section 8.

### 5. DEADLINES

---

- §1 A deadline is the time limit for the fulfilment of a requirement.
- §2 Unless specified otherwise, for information and data to be provided via the CEV database or electronic means, the deadline is the last day of their reception by the CEV.

### 6. AMENDMENTS

---

- §1 The provisions of these regulations remain subject to amendments by the CEV Board of Administration.
- §2 Any departure from these regulations will be duly notified via the Official Communications.

## Section 2: CEV Competitions

### Chapter 1: Structure

#### 9. CEV COMPETITION GOVERNING RULES

---

- §1 Each match is played according to the gender distinction and the Official Beach Volleyball Rules, with balls homologated by the FIVB and prescribed by the CEV Board of Administration, in a Venue approved by the CEV.
- §2 Each match is conducted according to the Official Beach Volleyball Rules unless otherwise specified in the Official Communication document of the respective CEV competition. Other documents may be also used with the Official Beach Volleyball Rules but the latter always prevail.
- §3 Each match is organised in accordance with the CEV Regulatory Framework. Any situation not provided for by these regulations is settled in accordance with the FIVB regulatory framework.

#### 10. RANKINGS

---

##### 10.1 CEV Entry Ranking

- §1 Players are individually ranked according to a CEV Entry Ranking. Purposes of it are the admission and seeding in a CEV competition. There is one CEV Entry Ranking per gender.
- §2 Such Ranking is established according to the principles mentioned in the FIVB Beach Volleyball Sport Operations Manual regarding Athletes Entry points.
- §3 The CEV Entry Ranking is updated on a weekly basis.
- §4 In case of a return after a maternity leave or absence due to an injury, a Player may ask for a specific calculation according to the principles mentioned in the FIVB Beach Volleyball Sport Operations Manual.

##### 10.2 CEV Country ranking

- §1 National Federations are ranked according to a CEV Country Ranking. Purpose of it is mainly the admission in the CEV Beach Volleyball Nations Cup and the CEV Age Group Beach Volleyball European Championships. There is one CEV Country Ranking per gender and per age category.
- §2 Such Ranking is established as follows:
  - a. For the CEV Age Group Beach Volleyball European Championships: by the results of the last three editions of the respective CEV competition (60% of the final ranking last year, 30% of the one two years ago and 10% of the one three years ago),
  - b. For the CEV Beach Volley Nations Cup: by adding the CEV Entry Ranking points of the four best ranked Players of a National Federation in the CEV Entry Ranking on the date communicated in the respective Official Communication document.

#### 11. CEV COMPETITION CONTROL

---

##### 11.1 Competition control

- §1 The CEV is the governing body for all CEV competitions. It sets the supervision and monitoring modalities regarding the organisation of the CEV competitions.
- §2 For each CEV competition, the CEV appoints the European Beach Volleyball Commission to supervise and monitor the organisation of such competitions.
- §3 For each CEV competition, the CEV appoints - as highest authority during this level - a CEV Supervisor to supervise and monitor on the spot the organisation and progress of

such competition. The CEV may appoint additional workforce for refereeing, medical, media, legal, marketing or other topics related to this competition.

## 11.2 Practical organisation

- §1 For each CEV competition, the CEV appoints an Organiser as follows:
  - a. Via a candidature / bid procedure set by the CEV,
  - b. Via a drawing of lots where there is no application or multiple applications in the CEV Beach Volley Nations Cup.
- §2 For each CEV competition, the National Federation of the Host country shall appoint an individual called National Federation Delegate (article 16.1.1) to verify and support its organisation.

## 12. CEV CALENDAR AND SCHEDULE

---

### 12.1 General provisions

- §1 The season for CEV competitions start on 01 January and end on 31 December of the same year.
- §2 The dates of the CEV competitions take into consideration the FIVB calendar and other main events.
- §3 All matches of a CEV competition are organised according to the Competition schedule and Match schedule.

### 12.2 CEV calendar

For each season, the dates of all CEV competitions are set by the CEV.

### 12.3 Competition schedule

- §1 For each CEV competition, the dates of all levels of such competition are set by the CEV.

### 12.4 Match schedule

- §1 For each level of a CEV competition, the timetable of all matches of such level is set by the CEV in collaboration with the Organiser.
- §2 For each level of a CEV competition, the timetable of all matches within one day - Daily match schedule - is confirmed by the CEV Supervisor and communicated to the stakeholders. The CEV Supervisor is entitled to change it at any time but shall communicate the change to the concerned Teams and CEV Stakeholders.
- §3 A Team shall not play more than three matches per day, unless decided otherwise by the CEV.
- §4 A match of a Team starts at least 45 minutes after the last match of this Team. For the CEV Beach Volley Nations Cup, and in order to facilitate the event promotion and the TV broadcasting this time can be reduced to 30 minutes.
- §5 In case of a golden set, this set will be played right after the conclusion of the 2 matches..

## 13. CEV COMPETITION SYSTEM

---

### 13.1 General provisions

- §1 Each CEV competition has a competition system, made of a structure, method and format. It is set by the European Beach Volleyball Commission, approved by the Board of Administration and communicated. The CEV may change it according to the number of Teams, the Organiser or for any valid reason.
- §2 The CEV competition structure is composed of the following levels: phases and rounds. Phases may be divided into rounds.
- §3 The CEV competition method allows a Team to move from one level to another.
- §4 The CEV competition format is composed of pools and/or tournaments.

- §5 For a CEV competition, the CEV Board of Administration may set a minimum and/or a maximum number of Teams per level and per National Federation.
- §6 A direct qualification for a Team to a level may be granted according to one or more of the following items:
- a. The CEV Entry Ranking list,
  - b. The appointment of an Organiser (Host country teams),
  - c. Wild cards.

## 13.2 Competition structure

### 13.2.1 Composition

- §1 A CEV competition may be composed of the possible following phases: Country Quota Playoffs, Qualification Tournament and Main Draw. The Reserve list is not a phase.

### 13.2.2 Country Quota Playoffs

- §1 Country Quota Playoffs may be played for a CEV Competition if foreseen in the respective Official Communications and when the number of Teams per National Federation exceeds the maximum number set for the Main Draw. It takes place before the Qualification Tournament, if any.
- §2 The number of Teams to play the Country Quota Playoffs is calculated so the maximum number in the Main Draw is fulfilled. The concerned Teams are those with the lowest rank in the CEV Entry Ranking List.

### 13.2.3 Qualification Tournament

- §1 The Qualification Tournament is played when the number of Teams exceeds the maximum number set for the Main Draw. It takes place the day before the Main Draw.

### 13.2.4 Main Draw

- §1 The Main Draw is played with Teams which qualified either directly or from the Qualification Tournament.

## 13.3 Reserve list

The Reserve list includes Teams which were not allocated to a phase due to their low rank in the CEV Entry Ranking List or due to limitations over the number of teams than can participate in the Main Draw of the tournament – Country quota or due to late registration.

## 13.4 Competition method

- §1 Each level is played according to one or more of the following competition methods:
- a. Single elimination,
  - b. Double elimination,
  - c. Pool play,
  - d. Modified pool play,
  - e. CEV Queen & King of the Court .

### 13.4.2 Single elimination

- §1 The Single elimination competition method, also called knock-out, consists of 2 Teams playing each other where the loser is immediately eliminated from the CEV competition and the winner qualifies to the next level.

### 13.4.3 Double elimination

- §1 The Double elimination competition method consists of 2 Teams playing each other where the loser is eliminated from CEV competition after 2 lost matches. After a lost match, the loser proceeds to the losers bracket and competes for a spot in the two crossed semi-finals against the two teams qualified from the winners' bracket.

#### 13.4.4 Pool play

- §1 The Pool play competition method, also called Round robin, consists for each Team of playing all other ones from the same pool.
- §2 The standing of a Team is based on the number of points earned during the pool.
- §3 In a CEV competition, points for won and lost matches are allocated as follows:
  - a. 2 points for the winner of a match,
  - b. 1 point for the loser of a match,
  - c. 0 point for the Team which forfeits a match.
- §4 There is a tie between Teams when each Team has the same number of points. In case of a tie during or after the pool play, it is settled according to the principles mentioned in the CEV guidelines.
- §5 In accordance with article 6.4 of the Official Beach Volleyball Rules, the following applies:
  - a. In case of a default, the opponent Team wins the match with sets of 2:0 and rally points of 0:0, 0:0; while the defaulting Team forfeits the match with sets of 2:0 and rally points of 0:21, 0:21. The match is marked "DSQ".
  - b. In case of a default due to an injury, the opponent Team wins the match with sets of 2:0 and rally points of 0:0, 0:0; while the defaulting Team loses the match with the number of sets and rally points won until the injury. The match is marked "INJ/DSQ".

#### 13.4.5 Modified pool play

- §1 The Modified pool play competition method consists of Teams playing a number of other Teams from the same pool and where the loser is eliminated from CEV competition after 2 lost matches. After a lost match, the loser proceeds to the losers bracket.

#### 13.4.6 CEV Queen & King of the Court

- §1 The CEV Queen & King of the Court competition method consists of Teams playing a number of other Teams within a time defined session

### 13.5 Allocation

#### 13.5.1 Allocation of Teams to a level (Confirmed List)

- §1 Teams are allocated in a level of a CEV competition according to the CEV Entry Ranking, or the parameters detailed in 13.1.§6 within the timeline specified in the respective Official Communication document.
- §2 When two or more Teams have the same amount of points in the CEV Entry Ranking, the allocation of Teams is established by using the following criteria in the following descending order, until the tie ends:
  - a. The sum of Athlete's FIVB Technical Points as detailed in the FIVB Beach Volleyball Sport Operations Manual,
  - b. A drawing of lots.

#### 13.5.2 Allocation of Teams within a level (Seeding)

- §1 Teams are allocated within a level of a CEV competition according to the CEV Entry Ranking, on the day of the Preliminary Inquiry and after it; unless otherwise specified in the respective Official Communications document.
- §2 When two or more Teams have the same amount of points in the CEV Entry Ranking, the seeding of the Teams is performed by a drawing of lots.
- §3 In the Main draw, this seeding is performed with the additional following principles:
  - a. The sum of Athletes Entry Ranking Points. The seeding of the organiser best ranked team as communicated in the respective Official Communication
  - b. In case of a Pool play competition method:
