Introduction

Snow Volleyball is the latest addition to the CEV portfolio and it has proven a major hit, helping us take Volleyball to some truly iconic locations and to an audience that did not know much about our wonderful game!

Despite the many challenges still brought about by this unprecedented global health crisis, 2021 coincided with the return of Snow Volleyball action, as we were able to deliver two successful CEV Snow Volleyball European Tour events.

We now all look forward to the 2022 season with fewer restrictions and more opportunities for National Federations and promoters to host Snow Volleyball events in some of the most iconic locations in Europe – hopefully in front of a fantastic audience! With this in mind, we wish to add another chapter to the success story on snow that started in 2016 with the very first edition of the CEV Snow Volleyball European Tour!

Do not miss your opportunity to help us develop and grow this young, fresh and highly entertaining version of the Volleyball game!

1. Appointment Process

Step 1: Application

The CEV invites you to apply for the organisation of Snow Volleyball European Tour events as follows:

In order to maximise the promotion of the event, we ask you to send in your documents **by the 15th of September 2021**.

The CEV is open to multiple year agreements to build up a solid property. Any application shall be presented in English.

Step 2: Evaluation

The CEV evaluates the applications according to the required conditions - and based on the documentation provided.

The CEV may also inspect the sites proposed for the hosting of a CEV competition.

Step 3: Award

If appointed by the CEV, the candidate will automatically become the organiser of the respective CEV competition and an agreement will be sent for signing to the organising National Federation.

Public announcement of the appointed Organisers will be coordinated together with the CEV at a mutually agreed time and a timetable of actions referred as the Event's Master Plan will be shared with the Organisers.

Step 4: Execution

The Organiser and the CEV work closely together throughout the implementation process in order to deliver together a great and remarkable event for all involved stakeholders.

Requests for additional assistance regarding the application process can be addressed to snow@cev.eu.

2. Application Requirements

This section aims at supporting each Applicant to identify key organising aspects and at providing the CEV with the information necessary to evaluate each application.

You should submit the following:

- The duly completed and signed SV-A form.
- Binding support from the Host city, sponsors, other institutions and partners on national, regional and local level, which are involved in your application.
- A brief description of the Host city/Ski resort.

- A guarantee from the Competition venue's owner concerning its exclusive use from the day before to the day after the CEV competition; as well as the exclusive grant of all rights concerning advertisement and promotion in the Competition venue.
- A promotional and communication plan (timeline, activities, channels of promotion, media partners, etc.).

Additional requirements:

- Comply with the Local and National authorities, World Health Organisation provisions and the CEV Health Protocol guidelines for the event delivery.
- Health, safety and well-being of athletes, coaches, officials and all persons involved is a top priority for CEV, and the organiser shall do its utmost to guarantee the safety of all persons involved in the event.
