

CEV TEAM MEDICAL PERSONNEL AUTHORISATION PROCEDURE

Definition

- The authorisation concerns the Medical doctor and/or Therapist registered as a Team delegation member.
- The authorisation grants the right to access the Competition area during a match.
- CEV and FIVB authorisation are accepted in a CEV competition.
- The CEV European Medical Commission may issue authorisation for individuals not participating in FIVB competitions.
- A CEV authorisation is valid from the date of its issue until the end of the year of the current Olympic cycle.

Application

- The application is sent no later than 1 month before the relevant match via electronic mean, to the CEV - medicalauthorisation@cev.eu.
- The application is composed of the following documents:
 - a. A relevant diploma of University grade or Therapist education,
 - b. An Official English translated copy of such diploma or education, if required,
 - c. A copy of a passport or national identity card,
 - d. A letter of support from the relevant National Federation,
 - e. A recent passport format picture,
 - f. A copy of the FIVB Anti-Doping education programme certificate.

In order to ease the communication, the applicant's e-mail address shall be provided together with the request.

This procedure is extracted and according to the current [CEV Volleyball Competitions Regulations](#).
