--

## 4. Competition format and dates

The 2024 competition will be structured and include Final phase and Qualification phase, the latter is covering the 1<sup>st</sup> and 2<sup>nd</sup> Round Qualifiers as follows:

### 1<sup>st</sup> Round Qualifiers (Zonal)

The 1<sup>st</sup> Round Qualifiers will be organised in each of the six CEV Zonal Associations. Following the registration, CEV will inform each about the exact number of National Federations from their respective zone who have registered for participation.

Moreover, further to a decision made by the CEV Board of Administration, a minimum of 40% of the respective National Federations have to register for participation in order for the zonal event to count as a 1<sup>st</sup> Round Qualifiers for the European Championship. The host(s) of the Final Phase are not allowed to participate in the qualification process.

If one or more Zonal Associations fail to fulfil this requirement, depending on the total number of teams registered for participation in the championship, their teams might:

- have to join those from another zone to compete in the first stage of the qualification process
- join a qualifying round including teams from different zones put together as per the results of a Drawing of Lots

Each Zonal Association shall organise their qualification stage according to the calendar set by CEV for this round starting earliest 01<sup>st</sup> October 2023 and ending before 31<sup>st</sup> January 2024.

In each tournament, the first placed team qualifies directly to the Final Phase from the respective Zone.

### 2<sup>nd</sup> Round Qualifiers

The 2<sup>nd</sup> Round Qualifiers are organised with a maximum of 20 National Federations who competed but did not qualify from the 1<sup>st</sup> Round Qualifiers to the Final Phase.

The number of the granted vacancies per Zone (quotas) in the 2<sup>nd</sup> Round Qualifiers depends on the total number of the registered teams. The team quota per Zone to qualify to 2<sup>nd</sup> Round is based on the percentage of overall European Ranking points per Zone calculated based on participating teams and will be communicated in the next Official Communications.

#### COMPETITION FORMAT:

- The 2<sup>nd</sup> Round Qualifiers will be played using the single round robin tournaments format (i.e. one tournament "one against each other").
- Each 2<sup>nd</sup> Round Qualifiers will be played with minimum three and maximum four teams.
- The teams in each 2<sup>nd</sup> Round Qualifiers will play one tournament over three competitions days:
  - Tournament with 3 teams: each team will play 2 competition days
  - Tournament with 4 teams: each team will play 3 competition days
- Each of the National Federations involved has the right to apply for the organisation of the tournament.

- Should more than one National Federation apply for the organisation, the organisers will be drawn by the CEV. Or should no National Federation apply for the organisation, the organiser will be drawn by the CEV.
- In each pool, the first best placed team qualifies to the Final Phase. In case of a vacancy in the Final Phase, the next best placed team across all pools not qualified yet, qualifies to the Final Phase.

## QUALIFICATION DATES

Round	European Championships
1 <sup>st</sup> Round Qualifiers (organised by Zones)	Between 01 <sup>st</sup> October till 31 <sup>st</sup> January 2024
2 <sup>nd</sup> Round Qualifiers	11 <sup>th</sup> – 14 <sup>th</sup> April 2024

### Final Round Format:

Further to the expansion of the number of participating teams from 12 to 16, as per the relevant decision taken by the CEV Board of Administration, the 16 teams contesting the Final Round will be playing seven matches each in the pool stage according to the single round robin format (one against each other).

The first and second-ranked teams from each pool will progress to crossed-semi-finals, with the pool winners playing against the runners-up from the other group. Matches for the gold and bronze medals will follow on the final competition day as per the results of the semi-finals. ## 7. 2<sup>nd</sup> Round Qualifiers

Following the completion of the 1<sup>st</sup> Round Qualifiers, CEV will confirm the teams qualified to the 2<sup>nd</sup> Round. Only each tournament organiser is in charge of producing the badges for all participating teams in the respective pool and appointed CEV officials. Those can be extracted and synchronized directly from the database.

You can access the accreditation system via [this](#) link or via the National Federations Area of the CEV Database (<https://accreditation.cev.eu/login/cev>). Furthermore, there is a Badge Manager for the printing of the Badges for the matches. Each organiser is responsible for printing the badges for all teams participating in the respective tournament.

The guidelines on how to navigate through the software are available within the documents area in the accreditation system.
