

Snow/Beach Volleyball Athlete Photo Guidelines

General information

The CEV uses photos of athletes for promotional purposes, including on the CEV website/social media, accreditations, TV graphics, as well as in the Sports Presentation package.

It is paramount for participating National Federations to upload high-quality photo of their athlete prior the start of the CEV Beach Volleyball season to their respective VIS profile, and meet the following minimum quality standards:

- Portrait shot of a single athlete, as shown on the photo below
- Expression: smiling
- Eyes: facing the camera
- Uniform: competition jersey or polo (personal sponsors allowed as per the CEV BV Guidelines).
- White / Clear background
- Resolution: 800 x 800
- Format: PNG
