The competition will be played in a 32-team Pool Play format (round robin). After completion of the Pool Play phase, the 1st, 2nd and 3rd ranked teams from each pool will be advancing to a 24-team Single Elimination format.

According to the provisions of CEV Beach Volleyball Guidelines, the Single Elimination phase will be amended to serve logistics and operational reasons as the event is taking place in multiple cities and will be detailed in the event's Official Communications / Practical Information documents.

The Main Draw is composed as follows:

- ✓ Minimum 29 teams directly qualified, comprising of:

The allocation of Wild Cards will be circulated through the event's Confirmed Lists.

In case less than three Wild Cards are awarded, the remaining Main Draw spot(s) will be allocated to the next eligible team according to the CEV Entry Ranking.

## 1.3. Right of Participation

A player wishing to take part in a CEV competition must possess the nationality of the country he/she intends to represent and must fully comply with the requirements laid down by the FIVB Sport Operations manual. In addition, each player needs to have the following documentation completed/updated on their VIS profile:

- Have completed both the FIVB "Play Clean" anti-doping course as well as the FIVB e-learning course on the Prevention of Competition Manipulation.

Only players not suspended by CEV and/or FIVB are allowed to participate in the competition.

## 1.4. **Registration & Allocation of teams**

National Federations have to register their teams through the Volleyball Information System (VIS) prior to the registration deadline, which is a pre-condition to be tentatively admitted to any Beach Volleyball competition. Details of the registration procedure can be found in the CEV Beach Volleyball Guidelines.

The registration deadline for CEV EuroBeachVolley 2024 is set for **Monday, June 10, at 12:00 CEST**.

Teams will be allocated in the Main Draw and Reserve List of the competition according to the CEV Entry Ranking as of Monday, June 10, and as this is defined in the CEV Beach Volleyball Competitions Regulations, taking into consideration the below Country Quota rule:

- Minimum 3 and maximum 6 host country teams per gender
- Maximum 4 foreign country teams per gender

When two or more teams share the same number of points in the CEV Entry Ranking, the order of teams is established as per the conditions set in the CEV Beach Volleyball Competitions Regulations.

Country Quota limitations may be voided in case the roster of teams registered for the event or present during the Preliminary Inquiries/Technical Meetings is not complete.

## 1.5. **Seeding**

A Drawing of Lots will determine the seeding within the pools for the Pool play format phase according to the CEV Entry Ranking as of Monday, June 10, and the following provisions of the CEV Beach Volleyball Competition Regulations:

- If the hosting National Federation has no team among the top 8 seeded teams, the best-ranked team of the Federation will be allocated to Seed 8 in order to help with the promotion of the competition; if the best hosting National Federation ranked team is among the top 8, the team retains its position.
- Since the Pool Play round robin format is applied, the Teams of the hosting National Federation will be allocated in different pools, and a maximum of 2 Teams from the same country may be placed in the same pool during the draw for all other National Federations.

The date and venue of the Drawing of Lots will be communicated at a later stage through the event's Official Communications / Practical Information documents.

## 1.6. **Substitution of a Player**

Before the registration deadline, a National Federation may substitute a player from a team through the VIS for any CEV competition, without any consequences.

After the Registration deadline, a National Federation may substitute only one player per team from a CEV competition in case of injury/medical reason or "force majeure" through the CEV BV-03 form; respective proof or documentation must be presented to the CEV.

In case of such substitution, the new team's CEV Entry Ranking points as of Monday, June 10, are taken into consideration for the new team's entry. The new team is then placed into the Main Draw or Reserve List accordingly.

If there is a replacement of a player after the pool seeding, the new team's CEV Entry Ranking points as of Monday, June 10, are taken into consideration for the new team's entry. The new team is then placed into the Main Draw or Reserve List accordingly:

- In case the team remains in the Main Draw, the position in the pool will be maintained.
